

DESCRIPTION

Snowball “Cloudcroft” fixture series LED Luminaries are designed to be both elegant and creative while providing energy efficient high lumen output. The classic Cloudcroft with its low profile seamless aluminium frame and thick flawless acrylic lens offers a bright consistent down light output within a beautiful fixture. The flexible design of 1-3 tiers, suspending options and a range of lumen output makes the Cloudcroft a functional LED fixture while providing a sleek look that’s sure to impress.

Fixtures are smart controlled by Internal CCT Color Selectable Switch, DMX or ZigBee. DMX and ZigBee can control either CCT or RGBW functionality. DMX requires control supplied by others. ZigBee can be used in conjunction with ZigBee compatible Amazon Echo Plus, Android Platforms, Apple Platforms, Phillips Hue, Google Assistant SDK which are supplied by others or use our ZigBee Handheld/Wall Remote Controls through Snowball Lighting to control these products directly.

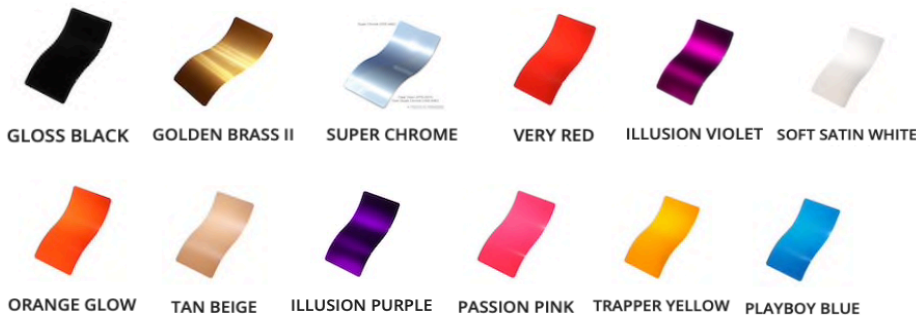

“Cloudcroft” 2 Tier LED ceiling and wall fixture
